

**At First Unitarian, we are**

**building a compassionate community that values differences,  
serving our community in love,  
witnessing for a liberal religion with faith in humanity,  
guiding ourselves and the next generation in hope, love, and  
peace.**

What brought you to First U and what brings you back? Are those factors expressed in this mission statement? If not, what might you suggest we include?

How better would this mission statement express our values and guiding philosophy?

Does this mission statement show First U's unique identity?

Is this mission statement too much, too little or about right?

Please review the DRAFT Mission Statement and give us your feedback. Please write on the back of this sheet and place the completed sheet in the box marked Mission Statement Feedback in the Volunteer Area. Please return all feedback by Sunday, March 18<sup>th</sup>.

Thank you,

The Finding the Future Team
