

Children during the worship service (the Celebration of Life) (11:00 am till noon)

A Typical Celebration of Life: About halfway through the service (usually after the Moment for All Ages), the children from preschool through upper elementary are invited to attend Children's Celebration upstairs. They are brought back into the service prior to the benediction.

Multigenerational Celebration of Life: Some Sundays the Celebration of Life is created to be welcoming to all ages – everyone, preschool through adults, worships together.

Nursery care for Infants & Toddlers: 11:00 till 12:15 pm. The Nursery is located on the second floor. Please ask the Greeter to guide you there. On First Sundays of the month and occasional other dates, extended child care is available from 12:45-3:00 so parents can attend meetings or special First U events.
